

ATTENDANCE

The Board of Education recognizes that regular school attendance is a major component of academic success. Through implementation of this policy, the Board expects to reduce the current level of unexcused absences, tardiness, and early departures (referred to in this policy as “ATEDs”), encourage full attendance by all students, maintain an adequate attendance recordkeeping system, identify patterns of student ATEDs and develop effective intervention strategies to improve school attendance.

Notice

To be successful in this endeavor, it is imperative that all members of the school community are aware of this policy, its purpose, procedures and the consequences of non-compliance. To ensure that students, parents, teachers and administrators are notified of and understand this policy, the following procedures shall be implemented.

- A plain language summary of this attendance policy will be included in student handbooks and will be reviewed with students at the start of the school year.
- Parents will receive a plain language summary of this policy by mail at the start of the school year. Parents will be asked to sign and return a statement indicating that they have read and understand the policy.
- When a student is absent, tardy, or leaves early from class or school without excuse, designated staff member(s) will notify the student’s parent(s) by phone and mail of the specific ATED, remind them of the attendance policy, and review ATED intervention procedures with them.
- A back-to-school event will be held at the beginning of each school year to explain this policy and stress the parent’s responsibility for their ensuring their children’s attendance.
- School newsletters and publications will include periodic reminders of the components of this policy.
- The district will provide a copy of the attendance policy and any amendments thereto to faculty and staff. New staff will receive a copy upon their employment.
- All faculty and staff will meet at the beginning of each school year to review the attendance policy to clarify individual roles in its implementation.
- Copies of this policy will also be made available to any community member, upon request.
- The district will share this policy with local Child Protective Services (CPS) to ensure a common understanding of excused and unexcused ATED’s and to work toward identifying and addressing cases of educational neglect.

Excused and Unexcused Absences

Excused ATEDs are defined as absences, tardiness, and early departures from class or school due to personal illness, illness or death in the family, impassable roads or weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, or such other reasons as may be approved by the appropriate building administrator.

All other ATEDs are considered unexcused absences.

All ATEDs must be accounted for. It is the parent's responsibility to notify the school office within 24 hours of the ATED and to provide a written excuse upon the student's return to school.

Notes explaining the reason for the absence(s) must be in written form from parents/guardians. Doctor's notes and/or notes from other officials/agencies may be required as well. If a parent/guardian does not provide an appropriate note or documentation within three (3) school days of the student's return to school, such absence will be recorded as unexcused.

General Procedures/Data Collection

- Attendance will be taken during each class period.
- At the conclusion of each class period or school day, all attendance information shall be compiled and provided to the designated staff member(s) responsible for attendance.
- The nature of an ATED shall be coded on a student's record.
- Student ATED data shall be available to and should be reviewed by the designated school personnel in an expeditious manner.
- Where additional information is received that requires corrections to be made to a student's attendance records, such correction will be made immediately.

Notice of such a change will be sent to appropriate school personnel subject to applicable confidentiality rules.

- Attendance data will be analyzed periodically to identify patterns or trends in student absences.
- Where consistent with other school practices, teachers and staff shall detain students in the hallways who are absent from a class period without excuse and refer the students to the Building Principal.
- Continuous monitoring will be conducted to identify students who are absent, tardy, or leave class or school early. If a pattern of ATED's for an individual student is identified, a designated staff person(s) will follow-up in accordance with this policy.

Attendance Incentives

The district will design and implement systems to acknowledge a student's efforts to maintain or improve school attendance. For example:

- Attendance honor rolls may be posted in prominent places in District buildings and included in District newsletters and, with parent/guardian in parental relation consent, in community publications;
- Monthly drawings for prizes at each grade level to reward perfect attendance.
- Special events (e.g., assemblies, guest speakers, field days) scheduled on days that historically have high absenteeism (e.g., Mondays, Fridays, day before vacation);
- Grade-level rewards at each building for best attendance;
- Classroom acknowledgment of the importance of good attendance (e.g., individual certificates, recognition chart, bulletin boards);

Consequences of Excessive ATED's

A designated staff member(s) will contact the student's parents and the student's guidance counselor in the event that a student's record reveals excessive ATED's, excused and/or unexcused. Excessive ATED's is defined as: 5 consecutive absences, and/or total absences, or tardies per quarter). Such staff member(s) shall remind parents of the attendance policy, explain the ramifications of excessive ATEDs, stress the importance of class attendance and discuss appropriate intervention strategies to correct the situation.

Unexcused ATEDs will result in disciplinary action consistent with the district's code of conduct. Those penalties may include, for example, detention or in-school suspension. Students may also be denied the privilege of participating in or attending extracurricular events.

In addition, the designated staff member will contact local Child Protective Services (CPS) if they suspect that the child is being educationally neglected. The designated staff member will provide CPS with the information necessary to initiate a report. If other staff members suspect education neglect, they must follow the procedures outlined in Board policy and regulation 5460, Child Abuse in a Domestic Setting, and advise the district attendance officer.

Attendance/Grade Policy

The Taconic Hills Central School District believes that school attendance is related to and affects a student's performance and grasp of the subject matter and, as such, should be linked to the granting of course credit.

Students are expected to attend all scheduled classes. Students will be considered in attendance if the student is:

- a) Physically present in the classroom or working under the direction of the classroom teacher during the class scheduled meeting time; or
- b) Working pursuant to an approved independent study program; or
- c) Receiving approved alternative instruction.

At the junior school/senior high school level, any student with 12 absences in a 1/2 year course or 24 absences in a full year course may not receive credit for the course. District procedures will specify how student tardiness and early departures will be calculated and factored into the District's minimum attendance standard. Upon the 12th (1/2 year course) or 24th (full year course) absence, the Faculty Council will convene to review the circumstances prior to denial of course credit. The student and his/her parent/guardian will be invited to attend the Faculty Council review.

For summer school and courses meeting 1/4 year, the same policy will apply and a calculation of the absences will be prorated accordingly.

However, where a student earns a passing grade, credit will not be denied for the course(s) providing all course requirements have been met.

Transfer students and students re-enrolling after having dropped out will be expected to attend a prorated minimum number of the scheduled class meetings during their time of enrollment.

Students who are absent from class due to their participation in a school sponsored activity are to arrange with their teachers to make up any work missed in a timely manner as determined by the student's teacher. Attendance at school sponsored events where instruction is substantially equivalent to the instruction which was missed shall be counted as the equivalent of regular attendance in class.

Upon returning to school following an absence, tardiness or early departure, it shall be the responsibility of the student to consult with his/her teacher(s) regarding arrangements to make up missed work, assignments and/or tests in accordance with the time schedule specified by the teacher.

To ensure that parents and students are aware of the implications of this minimum attendance requirement, the teacher or other designated staff member(s) will advise the student and contact the parent(s) by telephone and mail at appropriate intervals prior to the student reaching 12 or 24 unexcused ATEDs.

In implementing the policy set forth above, students who are unable to attend school or a class on a given day due to their participation in a school-sponsored activity (i.e., music lessons, field trips), may arrange with their teachers to make up any work missed. This also applies to any student who is absent, tardy or leaves early from school or a class due to illness or any other excused reason.

student who is absent, tardy or leaves early from school or a class due to illness or any other excused reason.

All students with an excused ATED are expected upon their return to consult with their teachers regarding missed work.

Only those students with excused ATEDs will be given the opportunity to make up a test or other missed work and/or turn in a late assignment for inclusion in their final grade. Make up opportunities must be completed by a date specified by the student's teacher for the class in question.

Annual Review

The Board shall annually review building-level student attendance records and, if such records show a decline in student attendance, the Board shall revise this comprehensive attendance policy and make any revisions to the plan it deems necessary to improve student attendance.
