

## 2010-11 School Year Teacher Qualification Data for Taconic Hills Central School District

The data shown below were reported to the Department on October 2010 Basic Educational Data System (BEDS) Teaching Personnel Data Forms. Districts are required to report Highly Qualified Teacher data on Consolidated Applications used to determine budgets for Title IIA and Title I funds.

A teacher is considered "Highly Qualified" if he or she

- a.) has a bachelor's degree or higher, and
- b.) is certified to teach the assigned core course in accordance with State standards, and
- c.) has demonstrated subject matter knowledge and teaching skills in the assigned core course.

For further information regarding "highly qualified," please refer to Field Memo #3-2008 on the NYSED web site at: <http://www.p12.nysed.gov/nclb/guidance/memos/03-2008.html#A>.

Questions about the Title IIA portion of the Consolidated Application should be directed to Anne DeFiglio at (518) 473-7155, questions about Highly Qualified Teacher counts should be directed James Bercharlie at (518) 474-7965.

Number of Core Classes Taught by Highly Qualified Teachers	Total Number of Core Classes	Percentage of Core Classes Taught by Highly Qualified Teachers	Total Class Count
(a)	(b)	(c = ((a/b)*100))	(d)
252	252	100.00%	393
