FERPA

According to the Family Rights and Privacy Acts (FERPA), the Taconic Hills Central School District must determine specific student directory information it will release to Federal agencies and colleges regarding its students. The following student information has been designated by Taconic Hills Central School District as “directory information”:

a student’s name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student

Vocational schools, colleges and the Armed Forces routinely request this information.

If a parent, legal guardian or student age 18 or older does not want any or all of such directory information publicly released, you must notify the Taconic Hills Central School District, in writing,. You must specifically state in your letter of your refusal to permit the release of this directory information.
