**8/8-12/16- Orientation date TBD "Camp FARM ON!"** at Empire Farm, Copake, NY. Students will visit local farms and "value-added" food businesses who support local farms. They will develop 21st century employment skills through adventure-based training, while learning the basics of agriculture and business start-up from project staff. Students will be assigned a coach/team. Applications available at tara@farmonfoundation.org or 518-329-FARM

**Dates TBD— "Katchkie Organic Farm"** at the Sylvia Center Kinderhook, NY plant science experience. Students are fully immersed in a sensory tour of the garden by introducing the children to plants and they are encouraged to touch, smell, and taste. Children learn to become healthy eaters and it starts by teaching young people how to cook. Transportation is not provided. Contact Julie Cerny at julie.cerny@sylviacenter.org or 518-758-2170. Cost TBD
