

## HONORING THOSE WHO SERVE

The community room at Taconic Hills has been officially named The Veterans Community Room in recognition of the men and women from this area who have served and who continue to serve in the U.S. armed forces. The room now features fascinating displays, plaques and memorabilia donated by area veterans.

“There are ten townships in this school district,” Superintendent Paciencia said. “Through times of war and peace, the families of this area have given their effort and

some have given their lives for our country. There is no apostrophe in the title Veterans Community Room. It is still the community’s room—the community will use it for meetings, classes and a variety of purposes. But as such, it comes with the pride and our recognition that our community’s families have sacrificed so much.”

The Veterans Community Room was officially re-christened on April 2. Senator Stephen Saland (far right) and Assemblyman Pat Manning (second from right) were on hand, along with local community leaders, **TH** students and area veterans. ▲

**HONORING THOSE WHO STRIVE** On April 1, 28 **TH** High School students were inducted into the National Honor Society. For a complete list of this year’s inductees, see page 10. ▲

## USE OF POOL REMINDER:

Parents bringing their elementary child/children to the pool must remain in the pool area or the fitness center if the child/children are under the age of 12. If the child/children are under the age of six, parents may not leave them unattended and must be in the water with them.
